Geography Knowledge Map- Year 1

	Autumn Term **Our local Area** (Fieldwork: Inside school and playground)	Spring Term **Continents and Oceans**	Summer Term **Weather** (Fieldwork: Build a weather station / Weather data / observation over time / compare with other parts of the UK/Europe)
Locational Knowledge	• Know that places are linked to others by roads and rail. • Aware of local Overground and Tube station. • How to get between two locations in Barnsbury.	• Names and locations of 5 ocean • Names and locations of 7 continents • Names and locations of 4 countries of the UK: England, Northern Ireland, Scotland, Wales	• Locate another part of the UK and a country from Europe to compare weather data.
Place (including human and physical geography)	• Names of local places eg. Barnsbury Woods, St Andrew's Church, Upper Street, Thornhill gardens • Simple map symbols for human and physical features eg. School, church, forest, river •	• Know which parts of continents are hotter or colder • Know at least one physical and human landmark from each continent	• What weather is experienced in different seasons in the UK • Daily weather patterns in the UK • Concept of climate change and it's causes and effects • Ways in which we can be more environmentally friendly at home and school
Skills and fieldwork	• How to draw a simple map using observations of a familiar space • Directional and locational language (e.g. near and far; left and right) • Use a range of simple maps	• Use a range of simple maps	• Use/make a weather station to collect data
